

Motto

11

The simple design of the Motto swivel chair is broken by the subtle curve of the backrest. Thanks to a wide range of colours and fabrics this model will perfectly fit into various interiors e.g. at home or less formal spaces. The use of unique technology has made the height-adjustable backrest extremely flexible.

Collection features:

- wide range of colours and finishing fabrics
- backrests tilting in any direction
- adjustable armrests and headrest
- the collection is completed with two versions of conference chairs (with low and high backrest and two types of frames - four-star base and wire frame)
- Blue Angel certificate - confirms that our chair is environmentally friendly
- Möbelfakta certificate - a guarantee of durability, safety, environmental care and social responsibility during the production process

Technical specifications:
