

Sorriso

10V

Designed by Jarosław Szymański of Studio 1:1, the name of the armchair means 'smile' in Italian. It is distinguished by an elegant, oval shell shape and expressive and precise stitching. It is an ideal solution for modern reception areas, hotels or cafés, where comfort of use is important.

Collection features:

- three base options: cantilever, four-star base or flat base
- Möbelfakta certificate - a guarantee of durability, safety, environmental care and social responsibility during the production process
